

TECHNICAL SPECIFICATION SHEET

Dawn

Intermediate Onion

This hybrid is a very early sweet spanish type onion that yields jumbo sized, tall-globe shaped bulbs with attractive straw colored scales. Dawn is pink root, Fusarium and bolting tolerant in addition to having excellent thrips tolerance. It is well suited for the domestic market as a processing onion, and the medium-firm bulbs have a storage potential of up to 25 days. Dawn is an intermediate-day onion and is an excellent choice for early shipping.

Variety	Relative Maturity	Bulb Shape	Grade Range	Skin Color	Storage Potential	Disease Resistance
Dawn	92	Globe	J	Straw Yellow	1 month	PR, FBR
